6" OPEN and WALLMOUNT New Construction Downlight

LDN6 40/55 LOKAR LED MVOLT GZ10 is a 6" diameter, wall-mountable LED downlight fixture designed for new construction applications. It features a sleek, modern design with a clear lens and a black finish. The fixture is compatible with 40W and 55W LED lamps and is suitable for use in various environments, including commercial buildings, schools, and homes. It offers excellent light output and energy efficiency, making it an ideal choice for modern lighting solutions.

ORDERING INFORMATION: See schedule for options and specifications. Example: LDN6 55/55 LOKAR LED MVOLT GZ10

Series	Performance Package	Color Temperature	Beam Spread	Finish	Mounting
LDN6	40W	3000K	30°	Black	Wall Mount
LDN6	55W	3000K	30°	Black	Wall Mount

Specifications:

- Series: LDN6
- Performance Package: 40W / 55W
- Color Temperature: 3000K
- Beam Spread: 30°
- Finish: Black
- Mounting: Wall Mount

Ordering Information: Example: LDN6 55/55 LOKAR LED MVOLT GZ10

Series	Performance Package	Color Temperature	Beam Spread	Finish	Mounting
LDN6	40W	3000K	30°	Black	Wall Mount
LDN6	55W	3000K	30°	Black	Wall Mount

RSX1 LED Area Luminaire

RSX1 LED Area Luminaire

The RSX1 LED Area Luminaire is a high-performance lighting fixture designed for large areas. It features a wide beam spread and high lumen output, making it ideal for use in commercial buildings, schools, and industrial settings. The fixture is available in various wattage options and color temperatures, allowing for customization to meet specific lighting requirements. Its durable construction and energy-efficient LED technology ensure long-lasting performance and cost savings.

Specifications:

- Series: RSX1
- Performance Package: 40W / 55W
- Color Temperature: 3000K
- Beam Spread: 30°
- Finish: Black
- Mounting: Wall Mount

Ordering Information: Example: RSX1 LED PA 40K R3 MVOLT SPA 000D

Series	Performance Package	Color Temperature	Beam Spread	Finish	Mounting
RSX1	40W	3000K	30°	Black	Wall Mount
RSX1	55W	3000K	30°	Black	Wall Mount

LITHONIA LIGHTING

OLWX1 LED Wall Luminaire

OLWX1 LED Wall Luminaire

The OLWX1 LED Wall Luminaire is a versatile lighting fixture designed for wall mounting. It offers a wide range of beam spreads and lumen outputs, making it suitable for use in various applications, including residential, commercial, and industrial settings. The fixture is available in multiple wattage and color temperature options, allowing for flexible lighting design. Its compact and modern design makes it an attractive choice for contemporary interiors.

Specifications:

- Series: OLWX1
- Performance Package: 40W / 55W
- Color Temperature: 3000K
- Beam Spread: 30°
- Finish: Black
- Mounting: Wall Mount

Ordering Information: Example: OLWX1 LED Z0W 00K

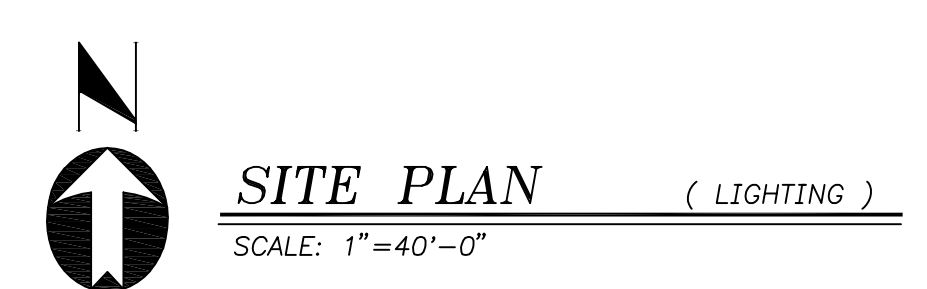

Series	Performance Package	Color Temperature	Beam Spread	Finish	Mounting
OLWX1	40W	3000K	30°	Black	Wall Mount
OLWX1	55W	3000K	30°	Black	Wall Mount

Site lighting exception to:
 (a) Land Development Code of El Paso County, Colorado, Effective 01/09/2018
 General Development Standards - Chapter 6
 6.2.3. Lighting
 (b) Design Standards and Requirements
 (1) Lamp Types - All outdoor light fixtures shall utilize one of the following lamp types: metal halide, induction lamp, compact fluorescent, incandescent (including tungsten-halogen), or high-pressure sodium. Alternatives are permitted provided they are demonstrated to be more effective for the proposed use based on IESNA recommendations.
 (2) Height - No freestanding light fixtures shall be mounted higher than 15 feet, except parking lot light fixtures which shall be mounted no higher than 20 feet unless an alternative lighting proposal is approved in accordance with this Code.
