Meadow Lake Airport (KFLY)
Peyton, Colorado 80831

Date Submitted: September 26, 2022

Date Received and Accepted as Complete: _____

1. **Matter of State Interest.**

The applicant requests that a permit be issued for each item checked below:

- a. Efficient utilization of municipal and industrial water projects
- b. Site selection and construction of major new domestic water and sewage treatment systems and/or major extension of existing domestic water and sewage treatment systems.
- c. Site selection and construction of major facilities of a public utility
- d. Development in areas containing or having a significant impact upon floodplain natural hazard areas
- e. **Site selection and expansion of airports**
- f. Site selection of arterial highways and interchanges and collector highways
- g. Site selection of rapid or mass transit facilities

Proposed Activity or Development.

- To operate, maintain and improve an FAA designated Regional General Aviation Reliever Airport in accordance with federal and state regulations, policies, and procedures, and applicable FAA Airport Sponsor Assurances;
- To obtain approval and adoption by El Paso County of the Meadow Lake Master Plan (includes the FAA approved Airport Layout Plan);
- To coordinate inclusion of the Meadow Lake Airport Master Plan into the El Paso County Master Plan. [↑ detail of expansion bullet list here](#)

NOTE: There are no specific expansion or infrastructure construction plans with this submittal other than to outline future growth plans and construction possibilities [Enclosure 12b(3)]. Proposals to implement expansion plans indicated in the Airport Master Plan or other documents will be addressed in separate specific submissions for consideration at the appropriate time.

3. **Location of Development.**

Please remove the reference to the County Master Plan. A 1041 can not act as a substitute for thre Master Plan process. This is a 1041 request to expand the airport (provide those details). It has nothing to do with adopting a master plan only expansion and site selection of airport. (This has been discussed numerous times with the applicant)
