At minimum, special use site plan shall include the following elements. If any are not applicable to this project, please indicate so:

1. Existing land uses and zoning on the property and within 500 feet of the boundary.
2. Adjoining property ownership.
3. Existing easements.
4. Name and addresses of the petitioner, owners of all interests (including mineral interests), in the property, and preparer.
5. Location, height, and dimensions of each existing and proposed structure within the development and the uses to be contained therein.
6. Stages, if applicable, in which the project will be developed.
7. Location of all proposed uses, structures, and other natural or man made features and relationship of uses, structures, and features to internal and adjoining uses, structures, features, landscaping and transportation facilities.
