

FINAL PLAT (RECOMMEND APPROVAL)

Mr. Bailey moved that the following Resolution be adopted:

BEFORE THE PLANNING COMMISSION

OF THE COUNTY OF EL PASO

STATE OF COLORADO

RESOLUTION NO. SF265
HARDY ROAD PROPERTIES SUBDIVISION

WHEREAS, Hardy Road Properties LLC did file an application with the El Paso County Planning and Community Development Department for approval of a Minor Subdivision Final Plat for the Hardy Road Properties Subdivision for property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference; and

WHEREAS, a public hearing was held by this Commission on September 17, 2026; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the Master Plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission members during the hearing, this Commission finds as follows:

1. The application was properly submitted for consideration by the Planning Commission;
2. Proper posting, publication, and public notice were provided as required by law for the hearing before the Planning Commission;
3. The hearing before the Planning Commission was extensive and complete, that all pertinent facts, matters, and issues were submitted and that all interested persons and the general public were heard at that hearing;
4. All exhibits were received into evidence;
5. The proposed land use does not permit the use of an area containing a commercial mineral deposit in a manner which would interfere with the present or future extraction of such deposit by an extractor;

6. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County Subdivision Regulations; and
7. For the above-stated and other reasons, the proposed Minor Subdivision Final Plat is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

WHEREAS, this Commission further finds that the request meets the following criteria outlined in Section 7.2.1 (Subdivisions) of the El Paso County Land Development Code ("Code") (as amended), as follows:

1. The proposed Subdivision is in general conformance with the goals, objectives, and policies of the Master Plan;
2. The Subdivision is consistent with the purposes of the Code;
3. The Subdivision is in conformance with the subdivision design standards and regulations and meets all planning, engineering, and surveying requirements of the County for maps, data, surveys, analysis, studies, reports, plans, designs, documents, and other supporting materials;
4. A sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of Subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Code;
5. A public sewage disposal system has been established and, if other methods of sewage disposal are proposed, the system complies with State and local laws and regulations, [C.R.S. § 30-28-133(6)(b)] and the requirements of Chapter 8 of the Code;
6. All areas of the proposed Subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified and the proposed Subdivision is compatible with such conditions. [C.R.S. § 30-28-133(6)(c)];
7. Adequate drainage improvements complying with State law [C.R.S. § 30-28-133(3)(c)(VIII)] and the requirements of the Code and the Engineering Criteria Manual ("ECM") are provided by the design;
8. The location and design of the public improvements proposed in connection with the Subdivision are adequate to serve the needs and mitigate the effects of the development;
9. Legal and physical access is or will be provided to all parcels by public rights-of-way or recorded easement acceptable to the County and in compliance with the Code and the ECM;

10. The proposed Subdivision has established an adequate level of compatibility by (1) incorporating natural physical features into the design and providing sufficient open spaces considering the type and intensity of the Subdivision; (2) incorporating site planning techniques to foster the implementation of the County's plans, and encourage a land use pattern to support a balanced transportation system, including auto, bike and pedestrian traffic, public or mass transit if appropriate, and the cost effective delivery of other services consistent with adopted plans, policies and regulations of the County; (3) incorporating physical design features in the Subdivision to provide a transition between the Subdivision and adjacent land uses; (4) incorporating identified environmentally sensitive areas, including but not limited to, wetlands and wildlife corridors, into the design; and (5) incorporating public facilities or infrastructure, or provisions therefor, reasonably related to the proposed Subdivision so the proposed subdivision will not negatively impact the levels of service of County services and facilities;
11. Necessary services, including police and fire protection, recreation, utilities, open space, and transportation systems, are or will be available to serve the proposed Subdivision;
12. The Subdivision provides evidence to show that the proposed methods for fire protection comply with Chapter 6 of the Code;
13. The proposed Subdivision meets other applicable sections of Chapters 6 and 8 of the Code;
14. Off-site impacts were evaluated, and related off-site improvements are roughly proportional and will mitigate the impacts of the Subdivision in accordance with applicable requirements of Chapter 8 of the Code;
15. Adequate public facilities or infrastructure, or cash-in-lieu, for impacts reasonably related to the proposed Subdivision have been constructed or are financially guaranteed through the SIA so the impacts of the Subdivision will be adequately mitigated;
16. The extraction of any known commercial mining deposit shall not be impeded by this Subdivision [C.R.S. §§ 34-1-302(1), et seq.]; and

WHEREAS, a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of Subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Code;

WHEREAS, the Planning Commission also finds that the proposed Waiver from section 8.4.3.C.5 of the Code meets the criteria for a Waiver outlined in Section 7.3.3 of the Land Development Code and any other applicable criteria for consideration of a Waiver;

NOW, THEREFORE, BE IT RESOLVED that the El Paso County Planning Commission recommends that the petition of Hardy Road Properties LLC for approval of a Final Plat for the Hardy Road

Properties Subdivision meets the criteria for approval outlined in Section 7.2.1 of the Land Development Code and be approved by the Board of County Commissioners with the following conditions and notations:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the Final Plat.
4. Driveway permits are required for each access to an El Paso County-owned and maintained roadway. Driveway permits are obtained from the appropriate El Paso County staff.
5. Applicant shall comply with all requirements contained in the Water Supply Review and Recommendations, dated August 11, 2026, as provided by the County Attorney's Office.

NOTATIONS

1. The following fees are required to be paid to El Paso County at the time of Final Plat recordation:
 - a. Park fees in lieu of land dedication for regional parks in the amount of \$1,010.
 - b. Fees in lieu of school land dedication in the amount of \$480 shall be paid for the benefit of Falcon School District #49.
2. Final Plats not recorded within 24 months of Board of County Commissioners approval shall be deemed expired unless an extension is approved.
3. Site grading or construction, other than installation or initial temporary control measures, may not commence until a Preconstruction Conference is held with Planning and Community Development Inspections and a Construction Permit is issued by the Planning and Community Development Department.
4. Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Resolution (Resolution No. 25-337), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at Final Plat recording, shall be documented on all

sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.

5. Applicant is to contact the US Fish & Wildlife Service regarding plans for the proposed access from Hardy Road regarding potential impact to the Preble's Meadow Jumping Mouse.

BE IT FURTHER RESOLVED that the El Paso County Planning Commission recommends approval of the following Waivers from the Land Development Code:

WAIVERS

A request for a waiver from Section 8.4.3.C.5 of the Land Development Code to allow Tract A to have no frontage on a public road. Tract A will be utilized as open space for the benefit of lots 1 and 2, with ownership vested with the tract.

BE IT FURTHER RESOLVED that this Resolution and the recommendations contained herein shall be forwarded to the El Paso County Board of County Commissioners for its consideration.
