for and on behalf of Adams Bank & Trust

Update to add following notes to plat:

\*Driveway Note: Individual lot purchasers are responsible for constructing driveways, including necessary drainage culverts from Road per Land Development Code Section 6.3.3.C.2 and 6.3.3.C.3. Due to their length, some of the driveways will need to be specifically approved by the (name of Fire District).\*

\*Lot \_\_\_ (or Tract \_\_\_) of this property is subject to a Private Detention Basin as recorded at Reception No. \_\_\_ of the records of El Paso County. The \_\_\_ (Owner) is responsible for maintenance of the subject drainage facilities.\*

Is anything being dedicated to the public? Elsewhere in this application, it states that the owner of lot 2A will be solely responsible for ownership and maintenance of the drainage tract. This may need discussion and to be revisited.

SURVEYOR'S NOTES

Remove "Surveyor" from Notes title.

- 1. NOTICE: According to Colorado law you must commence any legal action based upon any defect in this survey within three years after you first discover such defect. In no event may any action based upon any defect in this survey be commenced more than ten years from the date of the certification shown hereon.
2. Any person who knowingly removes, alters or defaces any public land survey monument or land boundary monument or accessory commits a class 2 misdemeanor pursuant to the Colorado Revised Statute 18-4-508.
3. The lineal units used in this drawing are U.S. Survey Feet. A U.S. Survey Foot is defined as 1200/3937 meters.
4. This survey does not constitute a title search by Barron Land, LLC to determine ownership, rights-of-way, or easements of record. For information regarding ownership, rights-of-way, and easements of record, Barron Land, LLC relied upon a Commitment for Title Insurance from Stewart Title Guaranty Company, File No. 79826UTC, with an effective date of Nov. 26, 2020.
5. This survey was performed in the field on March 12, 2020.
6. The overall subject parcel contains a calculated area of 120,465.0 square feet (2.765 acres) of land, more or less.
7. BASIS OF BEARINGS: Bearings are based upon, and is assumed to bear N 15°35'14"W, a measured distance of 546.30 feet for the west line of Lots 1A, 2A, and 4A of Clear View Industrial Park Filing No. 2A, Reception No. 208712868, Records of El Paso County, Colorado, with said line being monumented at the north end by a 1" yellow plastic capped pin stamped "LS 30120" and at the south end by a 1.5" aluminum capped pin stamped "CCES LLC PLS 30118"
8. The property being platted herein in its entirety is subject to an avigation easement for public avigation purposes. Said easement shall be considered a public easement and subject to those terms and conditions as specified on the instrument recorded at Reception Number 206060002 of the Records of El Paso County, Colorado. All other easements or interests of record affecting any of the platted property depicted hereon shall not be affected and shall remain in full force and effect.
9. Notice: this property may be impacted by noise caused by aircraft operating into and out of the colorado springs municipal airport. The buyer should familiarize himself/herself with this potentiality and the ramifications thereof.
10. No electromagnetic, light, or any physical emission which might interfere with aircraft, avigation, communications or navigational aids to be allowed.
11. While not a requirement, residences constructed in this area should include FAA approved sound mitigation construction techniques to obtain at least a 25db reduction in interior noise.
12. No man-made or non-man-made obstructions shall be allowed to penetrate The 40:1 approach surface.
13. All exterior lighting plans shall be approved by the director of aviation to prevent a hazard to aircraft.
14. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act.
15. The approval of this Replat vacates all prior plats for the area described by this plat.
16. Found and/or set monuments shown hereon are flush with grade unless noted otherwise.
17. Mailboxes shall be installed in accordance with all El Paso County Department of Transportation and United States Postal Service requirements.
18. At the time of approval of this project, this property is located within the Security Fire Protection District.
19. No driveway shall be established unless an access permit has been granted by El Paso County Development Services Department Engineering Division.
20. The addresses exhibited on this plat are for informational purposes only. They are not the legal description and are subject to change.
21. All property owners are responsible for maintaining proper storm water drainage in and through their property. Public drainage easements as specifically noted on the plat shall be maintained by the individual lot owners unless otherwise indicated. Structures, fences, materials or landscaping that could impede the flow of runoff shall not be placed in drainage easements.
22. A twenty-five foot (25') by twenty-five foot (25') site triangle no-build area exists for all corner lots. No obstruction greater than eighteen inches (18") is allowed in this area.
23. No lot or interest there in, shall be sold, conveyed or transferred whether by deed or by contract, nor shall building permits be issued until and unless the required public improvements have been constructed and completed in accordance with the subdivision improvements agreement between the applicant and el paso county as recorded at rec. No. 207092639, in the office of clerk and recorder of el paso county, colorado, or in the alternative, other collateral is provided which is sufficient in the judgment of the board of county commissioners, to make provision for the completion of said improvements.
24. All structural foundations shall be located and designed by a professional engineer, currently licensed in the state of colorado.
25. The following reports have been submitted and are on file at the County development services department: soils and geological study; traffic Study; drainage reports.
26. Electric and gas service shall be provided by colorado springs utilities
27. Water and wastewater services for this subdivision are provided by the security water and sanitation district subject to the districts rules, regulations and specifications.

Add the following at the end of note 22. The sight triangle shall be dedicated to the County. Maintenance of the sight distance easement shall be the responsibility of the property owner.

Revise "El Paso County Department of Transportation" to "El Paso County Department of Public Works".

Revise "El Paso County Development Services" to "El Paso County Planning and Community Development"

Capitalize first letters of names for agencies.

Remove from note. These reports were not submitted with this vacate replat.

EASEMENT STATEMENT:

Unless shown greater in width, all side and rear lot lines are hereby replatted with a six (6) foot easement for public utility and public improvement easement, with the sole responsibility for the maintenance of easements being vested with the individual property owner.

6 ft is fine for interior, but exterior lot lines shall have 7 ft drainage easement

COUNTY APPROVAL

This plat for (name of subdivision or plat) was approved for filing by the El Paso County, Colorado Planning and Community Development Department Director on the \_\_\_ day of \_\_\_, 20\_\_\_, subject to any notes or conditions specified hereon.

Previous plat name in entirety is amended for the areas described by this Plat Amendment/Lot Line Adjustment subject to all covenants, conditions, and restrictions recorded against and appurtenant to the original plat recorded in the Office of the El Paso County Clerk and Recorder, Reception # \_\_\_\_\_

Planning and Community Development Director
