UNDERSTANDING YOUR TITLE COMMITMENT

SCHEDULE A:

No. 1: Effective date: This is the date our title plant is certified through. There will typically be a 1-2 week gap between the certification date and the date the commitment is issued.

No. 2A : Owner's Policy Proposed Insured: This is how the buyer's name(s) appear(s) on the Contract, all Closing documents and your Final Title Policy. If your name is appearing incorrectly, please advise your Realtor, Builder and/or Lender.

If a determination has not yet been made on what lender will be providing your loan, then this may appear as 'TBD' (To Be Determined). If you are paying cash for this purchase, this item will be left blank.

Charges: Title Premiums, Endorsements and Tax Certificates: These are fees for the items that the Company has determined may be required by your Lender and/or to meet the terms of your contract. Your lender may request additional items. This does not include any closing fees.

No. 3: The estate or interest in the land...: This shows the type of ownership that is going to be insured.

No. 4: The Title is, at the Commitment Date...: This shows the name(s) of the current owner(s).

No. 5: The land referred to in the Commitment...: This is the 'legal' property description for the real estate you are buying or selling.

SCHEDULE B-SECTION 1:

These are Requirements that must be satisfied in order to provide clear title to the Buyer and/or Lender. The closer and/or processor for the Title Company, will generally take care of satisfying these requirements, however there may be times when your help will be needed as well. Some requirements will be met prior to closing, and others will be met at the time of closing.

SCHEDULE B-SECTION 2:

These items are Exceptions to your coverage. We are telling you these items exist (whether by recordation in the County Clerk and Recorder's office or because we have knowledge of them through other means). Since these items have been disclosed to you, you will not be provided any coverage for same. Owner's Extended Coverage will delete Items 1-5 of the pre-printed items on Residential Sale Commitments, provided that the coverage was requested by contract and collected at closing. Copies of the plat and covenants will be automatically sent to the buyer and/or Selling Agent. We are happy to also provide you with copies of any other exceptions as well.

WIRE FRAUD

ALERT

NOTIFICATION:

READ THIS BEFORE YOU WIRE FUNDS

WIRE FRAUD: THE THREAT IS REAL

Buying a home is an exciting time. You've saved, found the perfect home and planned the move. Now, the closing day for your home is just around the corner.

We want to make sure your home purchase doesn't get derailed by a dangerous threat that could keep you from getting the keys, painting walls and decorating. Criminals have stolen money meant for the purchase of homes through malicious wire fraud schemes targeting consumers across the country.

Criminals begin the wire fraud process way before the attempted theft occurs. Most often, they begin with a common social engineering technique called phishing. This can take the form of email messages, website forms or phone calls to fraudulently obtain private information. Through seemingly harmless communication, criminals trick users into inputting their information or clicking a link that allows hackers to steal login and password information.

Once hackers gain access to an email account, they will monitor messages to find someone in the process of buying a home. Hacks can come from various parties involved in a transaction, including real estate agents, attorneys or consumers. Criminals then use the stolen information to email fraudulent wire transfer instructions disguised to appear as if they came from a professional you're working with to purchase a home. If you receive an email with wiring instructions, don't respond. Email is not a secure way to send financial information. If you take the bait, your money could be gone in minutes.

What can I do to protect myself?

Despite efforts by the title industry and others to educate consumers about the risk, homebuyers continue to be targeted. Here are some tips on what you can do to protect yourself and/or your clients:

1. **If requested**, wiring instructions will be provided via an encrypted email.
2. **Call, don't email**: Confirm all wiring instructions by phone before transferring funds. Use the phone number from the title company's website or a business card.
3. **Be suspicious**: It's not common for title companies to change wiring instructions and payment info
4. **Confirm it all**: Ask your bank to confirm not just the account number but also the name on the account before sending a wire. The name on the account should state Empire Title of Colorado Springs, LLC.
5. **Verify immediately**: You should call the title company or real estate agent to validate that the funds were received. Detecting that you sent the money to the wrong account within 24 hours gives you the best chance of recovering your money from the hackers.
6. **Forward, don't reply**: When responding to an email, hit the "forward" button instead of clicking the "reply" button, and then start typing the person's email address. Criminals use email addresses that are very similar to the real one for a company. By typing in email addresses, you will make it easier to discover if a fraudster is after you.

Such disbursement shall not extend the date of the policy or change any part thereof unless such change is specifically made by written endorsement duly issued on behalf of the Company. Upon request by the Insured (and payment of the proper charges thereof), the Company's agent or approved attorney will search the public records subsequent to the date of the policy and furnish the insured a continuation report showing such matters affecting title to the land as they have appeared in the public records subsequent to the date of the policy or date of the last preceding continuation report, and if such continuation report shows intervening lien, or liens, or interest to or for the account of the mortgagor, then in such event this policy does not increase in liability unless such matters as actually shown on such continuation report are removed from the public records by the insured.
