Dear Ms. Darden:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: AT&T Monopole Special Use**

**Project Number: AL 1920**

**Description:** AT&T Mobility is requesting approval for a Special Use Permit to construct a 199' self-supported telecommunication tower. The location of this proposed tower is 17925 East Highway 24 in Peyton, CO. The 40 acre parcel is located southeast of East Highway 24 in Section 07, Township 12 South, Range 63 West.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning any connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA. MVEA has existing facilities near and within this parcel of land. Should there be any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required in order to serve.

MVEA has no objection to the telecommunication tower at 17925 East Highway 24 in Peyton, CO.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant
