Hi Kerry,

I couldn't find this project in TAILS and also looked quickly through the coloradoes mailbox and couldn't find it there either though he sent in on December 28. Do you know if it's been log into TAILS or anything else about its status?

Thank you!
Alison

Subject: Clearance Letter- Preble Jumping Mouse

Good morning,

I'm having a hard time getting a hold of the right person... I am purchasing a 39.4 acre property in north Colorado Springs (schedule number 5119001009; <http://land.elpasoco.com/ScheduleDisplay.aspx?schd=5119001009>). I am subdividing the property into seven lots. As part of the subdivision process, El Paso County is requiring me to obtain a clearance letter for the Preble Jumping mouse.

Can you please direct me on the process for obtaining this clearance letter? I've looked online and don't believe it is a critical habitat based on the US F&W website.
