Hello Daniel,

Thank you for the completed load sheets. They have been assigned to Designer Corbin for review. His office contact number is 719-555-1234. His email is corbin.s@mvea.coop.

Please upload proof of utilities such as a email/letter from the power company. A monthly bill is acceptable.

All projects are processed in the order received in conjunction with design time and field work.

We appreciate your patience, as we are experiencing a large volume of requests. Corbin will be in touch if he has any questions concerning the load sheets.

Thank you,

Peter Barker
