provided, however, that in the event there is more than one Declarant, such notice must be signed by all such Declarants.

ARTICLE IV  
COVENANT FOR ASSESSMENTS

**Section 1. Creation of the Lien and Personal Obligation of Assessments.**

Each Owner of a Patio Home, including Declarant and any Participating Builders, by acceptance of a deed is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges and (2) special assessments, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, late charges, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Patio Home, against which each such assessment is made. The lien may be enforced by foreclosure of the defaulting Owner's Patio Home by the Association in like manner as a mortgage on real property. In any such foreclosure the Owner shall be required to pay the costs and expenses of such proceedings, including reasonable attorney's fees. The Board of Directors or Managing Agent of the Association may prepare a written notice setting forth the amount of such unpaid indebtedness, the name of the Owner of the Patio Home, and a description of the Patio Home. Such a notice shall be signed by one of the Board of Directors or by the Managing Agent of the Association and may be recorded in the office of the Clerk and Recorder of the County of El Paso, Colorado. A reasonable fee may be charged for the preparation of the notice. The lien for each unpaid assessment shall attach to each Patio Home, at the beginning of each assessment period and shall continue to be a lien against such Patio Home, until paid. The costs and expenses for filing any notice of lien shall be added to the assessment for the Patio Home, against which it is filed and collected as part and parcel thereof. Each assessment, together with interest, late charges, costs, and reasonable attorney's fees shall also be the personal obligation of each person who was the Owner of such Patio Home, at the time when the assessment became due. The personal obligation for the delinquent assessments shall not pass to such owner's successors in title unless expressly assumed by them. The Association's lien, on each Patio Home, for assessments shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Colorado or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against said assessment lien.

**Section 2. Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health and safety of the residents of the Properties, for the repair, replacement, and maintenance of certain landscaped rights-of-way and medians within or adjacent to public or private streets within or abutting the Properties which are the responsibility of the

Association to maintain, and for the improvement, repair, replacement, and maintenance of the Property and the appurtenances and improvements thereto and thereon, including maintaining exterior building surfaces including roofs, siding, gutters, downspouts, soffits, trim, but excluding doors, windows and any window or door screen which will be the responsibility of each Patio Home Owner. Limited Common Elements include Individual driveways and walkways. These will be maintained by the Association, however any damage or cleaning due to the actions or negligence of the Owner, his/her tenant or guest shall be paid for by the Owner. This provision shall also apply to any attached courtyard area which may extend beyond the Lot line. Repair or replacement of individual walkway, driveway or courtyard, and any fencing particular to any individual Patio Home shall be the responsibility of the Owner. Maintenance of landscaping located on the Property, maintenance of greenbelt areas within the Property, maintenance of any well site and/or the irrigation system within the Property, pruning trees and hedges located upon the Property, maintaining all common fences, lighting facilities and masonry, maintaining certain publicity dedicated easements located within the property, and maintaining, repairing and replacing all improvements and facilities, and any other items directed by the Board of Directors shall be done and paid for by the Association.

**Section 3. Maximum Annual Assessment.** Until commencement of the second annual assessment period, the maximum annual assessment shall be Three Thousand Dollars (\$3,000.00) per "Assessment Unit", subject to the assessment rate on certain Lots and Patio Homes owned by Declarant or a Participating Builder, as provided in this Declaration. For purposes of this Declaration, an "Assessment Unit" Shall mean a Lot or Patio Home. This maximum shall not include the Piney Hill Point assessment.

- (a) Effective with commencement of the second and each subsequent annual assessment period, the maximum annual assessment shall be increased effective each annual assessment year in conformance with the rise, if any, of the Consumer Price Index published by the U.S. Department of Labor, Washington D.C., for All Items and Major Group Figures for All Urban Consumers (1967=100), for the one year period ending with the preceding month of December. This annual increase in the maximum annual assessment shall occur automatically upon the commencement of each annual assessment year without the necessity of any action being taken with respect thereto by the Association. In the event the aforesaid Consumer Price Index is not published, for whatever reason, then the increase in the maximum annual assessment, as provided herein, shall be calculated by using a substantially comparable index designed by the Board of Directors of the Association.

- (b) Effective with commencement of the second and each subsequent annual assessment period, the maximum annual assessment may be increased above that established by the Consumer Price Index formula, for the next succeeding annual assessment year and at the end of each annual assessment period for each succeeding annual assessment year, provided that any such increase shall have the assent of 67% of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than 30 days nor more than 60 days in advance of such of such meeting setting forth the purpose therefore.
- (c) Subject to the provisions relating to Declarant's and Participating Builders' obligations to subsidize the Association for certain shortfalls in assessments, the Board of Directors of the Association may, at any time and from time to time, after consideration of the projected maintenance costs and other financial needs of the Association, and upon written notification to each Owner of the amount of the actual assessments to be levied, fix the actual assessment per each assessment Unit at an amount less than the maximum. In the event the Board of Directors of the association determines, at any time and from time to time, during any annual assessment period in which the Association shall have levied an assessment in an amount less than the maximum, that the rate of assessment then in effect is less than may be necessary to adequately fund all maintenance costs and other financial needs of the Association, then the Board of Directors of the Association may increase the actual assessment per each Assessment Unit upon written notification thereof to each Owner, provided that the amount of the actual per each assessment Unit shall not be increased to an amount in excess of the maximum annual assessment for that annual assessment period without an affirmative vote of at least 67% of the membership.
- (d) The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.
- (e) The Association shall maintain an adequate reserve fund out of the annual assessment for the maintenance, repair and replacement of those elements or portions of the Property that must be maintained, repaired or replaced on a periodic basis.

**Section 4. Special Assessments for Capital Improvements.** In addition to the annual assessments authorized in this article, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or

in part, the cost of any construction, reconstruction, repair, or replacement of any capital improvement upon the Property, including fixtures and personal property related thereto, or for the funding of any operating deficit incurred by the Association. Any such Assessment shall have the assent of 67% of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose and shall be levied equally against each Assessment Unit.

**Section 5. Notice and Quorum for Special Assessments.** Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. The first such meeting called shall require the presence of Members or of proxies entitled to cast 60% of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, other meetings may be called subject to the same notice requirement, and the required quorum at each such subsequent meeting shall be 50% of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

**Section 6. Uniform Rate of Assessment.** Annual and special assessments must be fixed at a uniform rate for all Assessment Units sufficient to meet the expected needs of the Association; provided, however, that notwithstanding anything to the contrary contained in this Declaration, the rate of annual and special assessments set for the Patio Homes owned by the Declarant and/or Participating Builders which have not been issued a Certificate of Occupancy shall be fixed at 25% of the assessment for the other Patio Homes. In the event that, prior to the termination of the Declarant's reserved right to appoint the Board of Directors of the Association, assessments for annual common expenses, exclusive of those amounts held by the Association for an adequate reserve fund and for working capital, fail to equal or exceed the actual expenses incurred by the Association during any particular annual assessment period because of such partial Declarant and/or Participating Builder assessment, then Declarant and all Participating Builders shall collectively pay a sufficient amount, up to the amount of full parity on such assessment, to the Association to meet any such shortfall so long as (a) written notice must be given by the Association within 60 days following the termination of the then current fiscal year of the Association at the time of the termination of the Declarant's reserved right to appoint the Board of Directors of the Association, but in no event more than one (1) year following the termination of such reserved right to appoint the Board of Directors of the Association, and (b) Declarant and all Participating Builders shall have no obligation for any such shortfall caused by the expenditures for capital improvements, or by any decrease in assessments, including without limitation, the levying of any assessment in an amount less than the maximum for any common expense assessment period, which amount is established subsequent to the termination of the Declarant's reserved right to appoint the Board of Directors of the Association, unless the same has previously been approved in writing by Declarant; provided, however, that at the time any Patio Home owned by Declarant and/or Participating Builder and has been issued a certificate of occupancy, that Patio Home shall be assessed at the uniform rate of

assessments for privately owned Patio Homes. In the event there are any Participating Builders or there is more than one Declarant, then, subject to the conditions hereinabove stated, each such Declarant and/or Participating Builder shall pay a pro rate share of the amount necessary to meet each shortfall in Association assessments, up to the amount of full parity on such assessments, such pro rate share to be based on the amount of assessments due at each lesser rate for Patio Homes owned by each Declarant and Participating Builder, compared with the amount of assessments due at such lesser rate from the Declarant and all Participating Builders during the applicable annual assessment period.

**Section 7. Date of Commencement of Annual Assessments.** The initial assessment shall commence on the first day of the month following the leasing, renting or other residential occupancy of the first Residence within the Properties and the second and each subsequent annual assessment period shall correspond with the fiscal year of the Association. The annual assessment shall be made due and payable annually on such dates as determined by the Board of Directors of the Association, provided that the annual assessment shall be adjusted according to the number of months in the first annual assessment year. Any Owner purchasing a Patio Home between installment due dates shall pay a pro rata of the share of the last installment due.

**Section 8. Effect of Nonpayment of Assessments-Remedies of the Association.**

- (a) **General.** Any assessments, which are not paid when due, shall be delinquent. Any assessment, which is not received within 15 days following the due date, will incur a \$25.00 late charge. Each subsequent 30 days an additional late charge of \$25.00 will be assessed, said charges shall become an additional assessment against the Property owner, and the Board of Directors of the Association may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against such Owner's Patio Home and/or may request and authorize action to be taken against such Owner. In the event a judgment is obtained, such judgment shall include interest on the assessment as above provided, and a reasonable attorney's fee to be fixed by the court, together with the expenses, late charge and costs of the action.

**Section 9. Working Capital.** The Association or Declarant shall require the first Owner of each Lot or Patio Home (other than Declarant or a Participating Builder), who purchases that Lot or Patio Home from Declarant or a Participating Builder, to make a non-refundable contribution to capital to the Association in an amount equal to two times of the monthly common expense assessment effective at the time of conveyance of the Patio Home, plus the Piney Hill Point Assessment, if applicable. All such contributions shall be held in a segregated account by the Association for its use and benefit as it deems desirable, including but not limited to the use to insure that the Board of Directors of the Association will have cash available to meet unforeseen expenditures, or to acquire

additional equipment or services deemed necessary or desirable by the Board. Such contribution shall not relieve an Owner from making the regular payment of assessments as the same become due. Payment made into the working capital fund are nonrefundable.

**Section 10. Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein, including without limitation any fees, costs, late charges or interest which may be levied by the Association in connection with unpaid assessments, shall be subordinate to the lien of any First Mortgage. Sale or transfer of any Patio Home shall not affect the liens for said assessment charges except that sale or transfer of any Patio Home, pursuant to foreclosure of any such First Mortgage or any such executory land sales contract, or any proceeding in lieu thereof, including deed in lieu of foreclosure, shall extinguish the lien of assessments charges which became due prior to any such sale or transfer, or foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure; provided however, that any such delinquent assessment charges, including interest, late charges, costs and reasonable attorney's fees, which are extinguished as provided herein may be reallocated and assessed to all Assessment Units as a common expense. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure shall relieve the Owner of any Patio Home from liability for any assessment charges thereafter becoming due, nor from the lien thereof; however that in the event of foreclosure of a First Mortgage or the taking of a deed in lieu thereof, such First Mortgage shall not be liable for unpaid assessments or other charges which accrue prior to the acquisition of title to the Patio Home in question by such First Mortgagee.

The ACC may subject the Owner(s) of the Lot to a fee of up to \$100.00 per day for every day the violation exists. Such a fee may be enforced and collected by the High Pines Patio Homes Owner's Association Board as an assessment. The ACC and High Pines Patio Homes Owner's Association Board shall have the right to enforce these covenants. The ACC may, from time to time, may issue guidelines and rules relating to the procedures, materials to be submitted and additional factors which may be considered in connection with the approval of any future improvements.

Annually, unused application fees will be deposited into the High Pines Patio Homes Owner's Association's general fund. Request for charges such as but not limited to additions, remodels or alterations shall be accompanied by an application form, a full set of plans and an application fee of 50% the prevailing full application fee.

**Section 8. All applications shall be retained for a period of not less than three years after said improvements are completed. All plans shall comply with all area building codes, covenants and restrictions. The ACC has the power to grant reasonable exemptions from the covenants.

**Section 4. Annexation.**

- (a) Additional real property, Common Area and/or Common Elements may be annexed to the Properties with the consent of 67% of each class of Members.
- (b) Notwithstanding the foregoing, the Declarant may annex to this Declaration additional property within those parcels or real property described on Exhibit A attached hereto and incorporated herein by this reference, until that date which is 10 years after the date on which this Declaration is recorded in the office of the Clerk and Recorder of El Paso County, Colorado, without consent of any Owner or First Mortgagee, subject to a determination by the VA or HUD that the annexation is in accord with the general plan heretofore approved by them, as follows:
  - (c) The Declarant may annex additional Patio Homes, Common Area and/or other property, except Patio Homes and Common Element within that parcel of real property described on the attached Exhibit A, which annexation(s) shall be effected, if at all, by the recording an annexation of additional land in the office of the Clerk and Recorder of the County of El Paso, Colorado, which document shall provide for annexation to this Declaration of the property described in such annexation of additional land and may include such other provisions as deemed appropriate by the Declarant, including but not limited to a designation of whether and which portions of the Property so annexed consist of Patio Homes, Property, Common Areas and/or other property.   - (d) The Declarant may annex additional Patio Homes and/or Common Elements within the parcel of real property described on the attached Exhibit A, which annexation(s) shall be affected, if at all, in two stages: (A) first, by the recording in El Paso County, Colorado of a Statement of Intention to Annex,

which document shall declare the number of additional Patio Homes which Declarant intends to annex to this Declaration, shall provide that, upon the recordation thereof, each Patio Home enumerated in such document shall be and constitute a "Patio Home" as defined in this Declaration, but only for purposes of voting the Association membership votes appurtenant thereto and determining the total number of Association votes, as provided in this Declaration, and for purposes of the payment of assessments and the obligations incident thereto, as provided in this Declaration, and shall further provide that, upon the recording of a supplemental Map of such property in the office of the Clerk and Recorder of El Paso County, Colorado, showing the Patio Home described in such Statement of Intention to Annex. All of the property described in such supplemental Map shall be annexed for all purposes to this Declaration: and (B) second, upon the recording of such supplemental Map, as aforesaid, all of this property described therein shall thereupon, for all purposes, be annexed to this Declaration and be subject to all provisions contained herein.

- (e) In the event any annexed property is not owned by the Declarant at the time of annexation, all annexation documents shall contain the signatures of all owners of such property in addition to the signature of Declarant.

**Section 5. Condemnation.** In the event proceedings are initiated by any government or agency thereof, seeking to take by eminent domain the Property, any material part thereof of any interest therein, any improvement thereon, or any material interest therein, the Association shall give prompt notice thereof, including a description of the part of or interest in the Property or improvement thereon sought to be so condemned, to all first mortgages of Patio Homes, all insurers and guarantors of First Mortgages, all Members, and to the Declarant. The Association shall have full power and authority to defend in said proceedings, and if practicable to represent the Owners in any negotiations, settlements and agreements with a condemning authority for acquisition of the Property or part thereof, as the attorney-in-fact for the Owners (the Owners, by their acceptance of a deed or other instrument of conveyance hereby constituting and appointing the Association their attorney-in-fact for such purposes), but the Association shall not enter into any such proceedings, settlement or agreements, pursuant to which the Property or any part thereof or any interest therein, or any improvement thereon or any part thereof or interest therein, is relinquished, without giving all First Mortgages of Patio Homes, all Members, and Declarant at least 15 days prior written notice thereof.

In the event, following such proceedings, there is such a taking in condemnation or by eminent domain of a part or all of the Property, the award made for such taking, if such award is sufficient to repair and restore the Property, shall be applied by the Association to such repair and restoration. If such award is insufficient to repair and restore the Property, or if the full amount of such award is not expended to repair and restore the

Property, the Association shall disburse the net proceeds of such award to the Owners in accordance with the fair market value of their Lot, or Patio Home, provided that the Association shall first pay out of the share of each Owner the amount of any unpaid liens or encumbrances on his/her Lot, or Patio Home in the order of the priority of such liens or encumbrances. No provision of this Declaration or of any other document relating to the Properties shall be deemed to give an Owner or any other party priority over the rights of a First Mortgagee pursuant to a First Mortgage in the case of a distribution to an Owner of insurance proceeds or condemnation award for losses to or taking of Property.

**Section 6. Duration, Revocation, and Amendment.**

- (a) Each and every provision of this Declaration shall run with and bind the land for a term of 20 years from the date of recording of this Declaration, after which time this Declaration shall be automatically extended for successive periods of 10 years each. Except as otherwise provided herein, this Declaration may be amended during the first 20 year period, and during subsequent extensions thereof, by an instrument approved in writing by not less than 51% of the Members of each class. Such amendment shall be effective when duly recorded in the County of El Paso, Colorado.
- (b) Notwithstanding anything to the contrary contained in this Declaration, if Declarant shall determine that any amendments to this Declaration or any amendments to the Articles of Incorporation or Bylaws of the Association shall be necessary in order for existing or future mortgages, deeds of trust or other security instruments to be acceptable to and of the then, subject to the following sentence of this Section, Declarant shall have and hereby specifically reserves the right and power to make and execute any such amendments without obtaining the approval of any Owners, or First Mortgagees of Patio Homes. Each such amendment of this Declaration or of the Articles of Incorporation or Bylaws shall be made, if at all, by Declarant prior to termination of the Declarant's reserved right to appoint the Board of Directors of the Association as provided in this Declaration; and each such amendment must contain thereon the written approval of the VA or HUD, if applicable.
- (c) Declarant hereby reserves and is granted the right and power to record technical amendments to this Declaration at any time prior to the termination of the Declarant's reserve right to appoint the Board of Directors of the Association for the purposes of correcting spelling, grammar, dates or as is otherwise necessary to clarify the meaning of the provisions of the Declaration.
