Springs East at Waterview, CS-18-002

Please accept the following updated comments from El Paso County Public Health (EPCPH) regarding the 26.64 acre project referenced above:

- **Water and wastewater service will be provided by Widefield Water and Sanitation District. There is a finding for sufficiency in terms of water quality for Widefield Water and Sanitation District, PWSID # CO0121900. Also, there is sufficient capacity for wastewater generated from the proposed commercial development area.**
- **Any Colorado Department of Public Health and Environment (CDPHE) regulated additions to the water system will require prior CDPHE approval, such as the potable water pump station.**
- **El Paso County Public Health encourages planned walk-ability of residential communities. Please consider appropriate connections to commercial areas through the use of sidewalks, and bike trails. Walk-ability features help reduce obesity and associated heart diseases.**
- **Earthmoving activities Earthmoving activities greater than 25 acres require a Construction Activity Permit from the Colorado Department of Public Health and Environment, Air Pollution Control Division. Go to the El Paso County Public Health site <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for the link to the Colorado Department of Public Health and Environment, Air Pollution Control Division, for the permit application.**
