El Paso County Development Services Department
2880 International Circle, Suite 110
Colorado Springs, CO 80910-3127

RE: Northern Delivery System Booster Pump Station
Sec. 3, Twp. 12S, Rng. 66W, Sixth P.M.
Water Division 2, Water District 10
CDWR Assigned Referral No. 30561

To Whom It May Concern:

This referral does not appear to qualify as a “subdivision” as defined in Section 30-28-101(10)(a), C.R.S. Therefore, pursuant to the State Engineer’s March 4, 2005 memorandum to county planning directors, this office will only perform a cursory review of the referral information and provide comments. The comments do not address the adequacy of the water supply plan for this project or the ability of the water supply plan to satisfy any County regulations or requirements. In addition, the comments provided herein cannot be used to guarantee a viable water supply plan or infrastructure, the issuance of a well permit, or physical availability of water.

The scope of this project includes the construction of a new booster pump station for the Triview Metropolitan District and Forest Lakes Metropolitan District. The equipment may be used to serve other water suppliers in northern El Paso County. The new booster pump station site will be located on a 7.23-acre parcel with parcel number 6203000002, owned by the City of Colorado Springs.

The Division of Water Resources has no objection to the application as submitted. Should you or the applicant have questions regarding any of the above, please feel free to contact me directly.

Sincerely,

Kate Fuller, P.E.
Water Resource Engineer

cc: Bill Tyner, Division 2 Engineer
Jacob Olson, District 10 Water Commissioner
