RE: Rezoning of 23580 Highway 94 from A-35 to CS

Dear Mr. Green,

Colorado Parks and Wildlife (CPW) has reviewed the information about the proposed rezoning of 23580 Highway 94, Calhan, CO 80808. CPW is familiar with the site and has conducted a recent visit to the site to confirm its surrounding area.

CPW believes based both on location and actions taken, that impacts to the natural resources and wildlife to be negligible if nonexistent. We appreciate being given the opportunity to comment. Please feel free to contact District Wildlife Manager Corey Adler at 719-439-9637 or corey.adler@state.co.us should you have any questions or require additional information.

Sincerely,

Cody Wigner
