Re: Commitment Letter for "The Glen at Widefield Subdivision Filing No. 9 Tract D"

Dear Ryan and Cole:

The Widefield Water and Sanitation District commits to providing water and sewer service to the above mentioned subdivision per this letter. This service commitment is included within the Preliminary Commitment for "The Glen at Widefield East Subdivision" dated July 13, 2015.

The water commitment is for "The Glen at Widefield Subdivision Filing No. 9 Tract D" being 2 Residential Lots and 0.70 acre-feet, is wholly included in previous "The Glen at Widefield East Subdivision" commitment. This commitment does not represent commitment of additional resources not previously committed.

The estimated wastewater load is 405 gallons per day. The estimated wastewater load is within Widefield's current excess treatment and system capacity.

Sincerely,

A handwritten signature in blue ink that reads "Robert K. Bannister".

Robert K. Bannister, P.E., District Engineer

C: Brandon Bernard, Water Department Manager
Jason Dreessen, Wastewater Department Manager
