

- Per Section D, Crystal Park PUD development guidelines, all Crystal Park site plan submissions shall include the following:
1. All structures with dimensions to side, front and rear yards, and distance from any other structures within 300 ft. It is possible that there may be structures on sites S-130 and S-216 (adjacent to the northeast and southwest of this site) that may be within 300 ft. of the existing home on this site. This is to ensure that the setback regulations under Section C are still being met.
 2. Existing and proposed contours at a two foot interval
 3. Existing vegetation, including any vegetation to be removed (if vegetation is to be untouched, please simply include a note indicating so)
 4. Sewage system location
 5. Well location
