Re: Colorado Military Academy- Rezoning Response

Dear Nina:

Thank you for your support and help in guiding us through the El Paso County process! Colorado Military Academy offers the following response:

Planning Division

1. Plans have been submitted for permit. Hollis and Miller will upload drawings to the Planning Division website and/or provide digital or hard copies as needed.
2. Colorado Military Academy will submit new sign details and location to appropriate El Paso County Department for approval and permit on all sign requests. Colorado Military Academy will NOT reuse the existing sign.

Engineering Department

1. Colorado Military Academy and/or its Licensed Contractor will submit application for Work-in-the ROW permit from El Paso County Department of Public Works.
2. Colorado Military Academy appreciates Letter of Intent is resolved.

Pikes Peak Regional Building Department

1. Colorado Military Academy acknowledges comment.

CDOT

1. Colorado Military Academy has submitted Traffic Study to CDOT.
2. Colorado Military Academy will comply with all requirements as it relates to signage.
3. Colorado Military Academy does not anticipate any utility work in the State Highway. Should an issue arise Colorado Military Academy will comply with all permit requirements.

Sincerely,

Reggie Ash
Chairman, Board of Directors
