

## Stormwater Permit Applicability Evaluation Form

<b>Part I. Project Information</b>	
Project Name: Zayo Expansion	Project Number (DPW): Project File Number (PCD): PPR1949
Project Location: 18370 Highway 94	Project Located in MS4 Permit Area (Y/N): N
Project Description: Fiber-Optic Equipment Shelter	
If Project is located within MS4 permit area, provide copy of this completed form to Stormwater Quality Coordinator for reporting purposes; and save completed form in project file.	

<b>Part II. Determination of Applicable Construction Activities</b>			
<small>(Refer to Part I.E.3 of MS4 Permit for definitions then check appropriate <i>Yes or No</i> boxes)</small>			
Questions:	Yes	No	Notes:
1. Does project meet definition of Construction Activity in MS4 permit?	Yes		
2. Does the project disturb $\geq 1$ acre of land?		No	
3. Is project part of a larger common plan of development?		No	
4. <b>Is Project Applicable Construction Activity? If:</b> <small>“Yes” to all questions; or  “Yes” to 1 and 2; or  “Yes to 1 and 3; or</small> <b>Then project is an Applicable Construction Activity</b>		No	

<b>Part III. Evaluation of Stormwater Permit Exclusions</b> (check <i>Yes or No</i> boxes)			
Questions:	Yes	No	Notes:
1. Does project qualify for R-Factor Waiver? <small>(see requirements in permit, Part I.E.3.a.i (A)  Waiver application available here:  <a href="https://www.colorado.gov/pacific/sites/default/files/RWAIVER%20app.pdf">https://www.colorado.gov/pacific/sites/default/files/RWAIVER%20app.pdf</a></small>		No	If Yes, must submit waiver application to CDPHE for approval
2. Is project a large single-family residential lot, or agricultural zoned land larger than 2.5 acres with total site imperviousness $\leq 10$ percent?		No	
3. Is project associated with oil and gas exploration, production, processing, treatment or transmission in Non-Urban Areas?		No	see MS4 permit Part I.E.3.a.i (C)
4. <b>Do exclusions apply to this project?</b> Check “Yes” if answered “Yes” to any question in this part.		No	

Part IV. Final Determination if Stormwater Permit Required		
Questions:	Yes	No
Is project an Applicable Construction Activity?		No
Do any exclusion apply to this project?		No
<p>If project is an Applicable Construction Activity and no exclusion apply, the constructing agent must acquire ESQCP, develop SWMP, and acquire CDPHE permit prior to beginning land disturbance.</p> <p>An additional assessment must be completed using the Post-Construction Stormwater Management Applicability Evaluation. This form will determine whether project will be required to implement post-construction (permanent) stormwater control measure.</p> <p>If permit is not required, temporary erosion control measures must still be implemented.</p>		

Part V. Notes

I have performed the MS4 permit applicability evaluation for the project identified in Part 1 of this form. I have reviewed the project information and completed the form to the best of my knowledge.
