**Subject: 3050 Curtis Road Minor Subdivision, Review #2 (MS-19-006)**

Hello Rad,

The Park Operations Division of the Community Services Department has reviewed the development application for the 3050 Curtis Road Minor Subdivision, Review #2, and has no additional comments on behalf of El Paso County Parks. The following comments and recommendations were submitted administratively on July 5, 2019:

*"The 3050 Curtis Road Minor Subdivision consists of 4 residential lots totaling approximately 40 acres, with a minimum lot size of 5.04 acres. The property is located north of the intersection of Curtis Road and Davis Road, within the bounds of the Highway 94 Comprehensive Plan.*

*The 2013 El Paso County Parks Master Plan shows no parks, trails, or open space impacted by the proposed subdivision. The proposed Curtis Road Bicycle Route is located immediately east and adjacent the project location, within the right-of-way of Curtis Road, while the proposed Blaney Road and Highway 94 Bicycle Routes are located approximately 0.50 and 2.5 miles south of the subdivision, respectively. These proposed bicycle routes will be constructed and maintained within the dedicated public right-of-ways, so no trail easement requests are necessary. The applicant is advised that multi-model transportation options may be developed within the right-of-ways in the future.*

*The Parks Master Plan also shows the proposed Davis Road and Highway 94 Secondary Regional Trails located approximately 0.50 and 2.50 miles south of the property, respectively. The project site is not located within any Candidate Open Space areas but is located approximately 1.5 miles northeast of the Corral Bluffs Candidate Open Space.*

*As no park lands or trail easement dedications are necessary for this filing, El Paso County Parks staff recommends fees in lieu of land for regional park purposes.*

*The Park Advisory Board has elected not to review and endorse minor subdivision applications, so these comments are being provided administratively.*
