Project Name: 3050 Curtis Road 4 Lot Subdivision

Project Number: MS 196

Description: It is proposed to develop an approximately 40 acre parcel with 4 residential lots and road right of ways. This development is located north of Davis Road and west of Curtis Road. This parcel is located in Section 33, Township 13 South, Range 64 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA requests a ten (10) foot front, side and rear lot line utility easement along with a twenty (20) foot exterior easement on plat. MVEA also requests platting of existing MVEA facilities with easement on the plat. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA.

MVEA has existing facilities near and within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.
