REQUEST:

1. Request to subdivide into four Lots comprised of proposed Lot 1 = 5.11 Acres, Lot 2 = 5.05 Acres, Lot 3 = 5.04 Acres and Lot 4 = 19.76 Acres. Water wells and individual septic systems are proposed for rural/residential use on each Lot. Teleo Point a proposed roadway off Curtis Road will provide access to the proposed Lots along with continued access West of the subject property. Overhead and underground utility lines located along Curtis Road provide electrical and communication service to the site.

JUSTIFICATION:

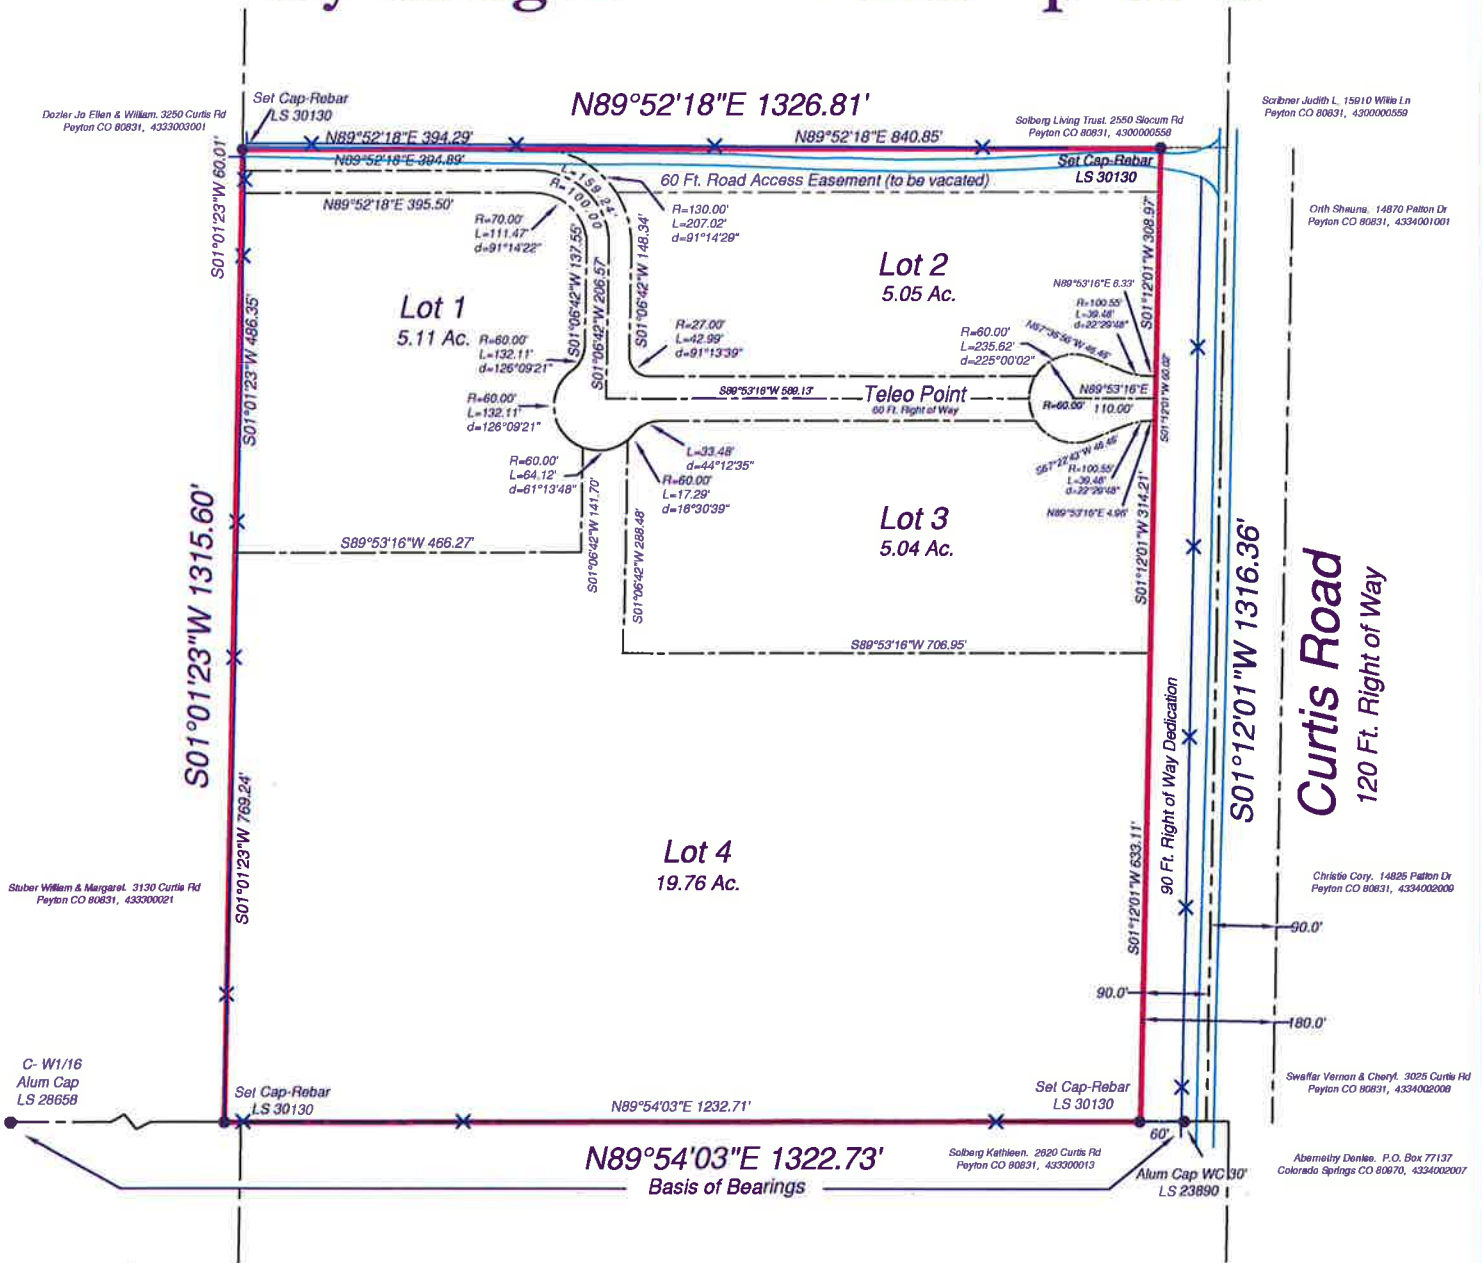

2. The property is Zoned RR-5. The request complies with the current zoning and the 2003 Highway 94 Comprehensive Plan. The plan identifies future land use and a major transportation corridor plan. Residential/rural properties are desirable for future growth within the current employment opportunities, schools and shopping available within the area. Utility services, transportation, availability to dependable ground water supply, soil types acceptable for septic system and structural foundations fits within the guidelines and implementation of the Comprehensive Plan. Curtis Road connects the Falcon area to Schriever Air Force Base traffic. Curtis Road is designated as a High Type Pavement (Arterial). Proposed Teleo Point is located in line with Patton Drive East across Curtis Road.

Your consideration of this request will be greatly appreciated.

Respectfully Submitted
On behalf of the property owner
