Colorado Springs Utilities does not object to the request to allow the subject easement encroachment provided that the following acknowledgements are made:

1. The projection does not deviate from the permitted plans with respect to location and dimension.
2. The location of any Utilities owned Natural Gas service is per Colorado Springs Utilities Gas Line Extension & Service Standards (2022)
3. The projection does not extend into the Side Lot Easement more than a maximum of Eighteen (18) inches.
4. If it is necessary to relocate any existing utility facilities, then such relocation shall be at the Applicant's expense, and if required, Applicant shall grant new easements for the relocated facilities.
