Dear Ms. Parson:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: The Hills at Lorson Ranch

Project Number: PUDSP 203

Description: Approval is being requested for The Hills at Lorson Ranch for 514 single family residential lots and open spaces on approximately 123 acres. This subdivision is located north of Lorson Boulevard and southeast of Lamprey Drive in Section 24 and 13, Township 15 South, Range 65 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA requests a ten (10) foot front lot line utility easement and that this easement be adjacent to and on the lot side of any PIE designed along the front lot line. MVEA also request a ten (10) foot rear and a five (5) foot side lot utility easement along with a twenty (20) foot exterior easement on plat. If open space, drainage and landscape tracts are designed in this subdivision MVEA requests these areas be listed to include utilities. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
Engineering Administrative Assistant
