Morning Sheryl,

Hope you had a nice long weekend at the reservoir!

Could you log this into TAILS, please, and return to me? It's a quick and dirty stamp.

Thanks!  
Alison

Hi Alison,

Please see the attached vicinity map, and a site plan with additional information on the project.

The 2 x 5,000 square foot office/warehouse buildings will be located at 7358 & 7386 Cole View, Colorado Springs, CO.

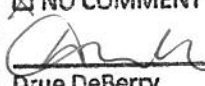

Per our phone conversation, could you provide something in writing (potentially a quick letter) stating that the lot does not fall within the jumping mouse area?

Let me know if you need anything else from me.

Thanks for your assistance!
