RESOLUTION #3

STANDARD RESOLUTION FOR APPROVAL - NO HARDSHIP INVOLVED

Commissioner Davies moved that the following Resolution be adopted:

BEFORE THE BOARD OF ADJUSTMENT

OF THE COUNTY OF EL PASO

STATE OF COLORADO

RESOLUTION NO. BOA-18-004

WHEREAS, Eric and Bertha Kellum (the "Applicants") have requested a variance from the zoning regulations contained in the El Paso County Land Development Code for property located at 10807 Klondike Drive, Peyton, CO 80831 in the PUD (Planned Unit Development) zone district, which property is identified by El Paso County Tax Schedule No. 42193-03-013 and is legally described as follows:

Lot 709, Meridian Ranch Filing No. 1, as amended by Surveyor's Affidavit recorded December 13, 2002, Reception No. 20222196, County of El Paso, State of Colorado.

WHEREAS, the subject property is within the unincorporated area of El Paso County, Colorado; and

WHEREAS, the Applicants have requested to allow for a rear yard setback of 15 feet where 25 feet is required in the PUD (Planned Unit Development) zoning district; and

WHEREAS, the Board of Adjustment is vested with the power to grant or deny such variances by virtue of Section 5.5.2 of the El Paso County Land Development Code and Sections 30-28-117 and -118, C.R.S.; and

WHEREAS, based on the evidence presented, the Board of Adjustment makes the following findings:

1. Proper notice procedures, including the notification of all adjoining property owners, have been completed by the El Paso County Development Services Department.
2. The variance will permit only those uses specifically enumerated as permitted uses for the zoning district in which the property is located.
3. The burdens of strict compliance with the zoning requirement(s) significantly exceed the benefits of such compliance for the subject property.
4. A unique or equitable consideration compels that strict compliance not be required; namely the burden of cost to the owner.

5. The variance will not significantly impair the intent and purpose of the zoning regulations.
6. The variance will not cause a substantial detriment to the public good.
7. The variance will conform with all applicable federal, state or other local laws or regulations.

NOW, THEREFORE, BE IT RESOLVED that the request for a variance from the El Paso County zoning regulations as more fully described above is hereby approved:

CONDITIONS

1. The approval applies to the plans as submitted only. Any expansion or addition to the proposed patio cover may require separate Board of Adjustment application(s) and approval(s) if the development requirements of the applicable zoning district cannot be met.
2. Approval of a residential site plan by the Planning and Community Development Department and issuance of a building permit from the Pikes Peak Regional Building Department is required prior to construction of the patio cover.

NOTATION

1. Physical variances approved for a proposed structure (except for lot area variances) are valid only if construction of the structure is initiated within twelve (12) months of the date of the Board of Adjustment approval.

WARNING: Any violation of the terms of this resolution may result in rehearing and possible revocation.
