Re: Exclusion of Rock Creek Batch Plant Items from Temporary Use Permit Application Revision 1

To Whom it Concerns,

Due to the scope of work and time frames required by our contract on SH 115 with CDOT, CRCC has opted to only include revisions to the Orton Pit documents in our submission of revision 1 of our temporary use permit construction documents. Revisions to the Rock Creek Batch Plant will be submitted in our next revision for review with El Paso County.

Sincerely,

Travis Bell  
General Superintendent
