Dear Ms. Ruiz:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Curtis Subdivision, Filing #1

Project Number: MS 195

Description: It is proposed to develop Curtis Subdivision, Filing #1 with two (2) single family residential lots on an approximately 37 acre parcel located on the northwest corner of Roller Coaster Road and Baptist Road. This proposed development is located in Section 21, Township 11 South, Range 66 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA notes the ten (10) foot front, side and rear lot utility easement, and a twenty (20) foot exterior easement on plat. MVEA also requests platting of existing MVEA facilities with easement on the plat. If open space, drainage and landscape tracts are designed in this subdivision MVEA requests these areas be listed to include utilities. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA.

MVEA has existing facilities within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
Engineering Administrative Assistant
