Red Barn Rd.

Fire Report

November 28, 2018,

The physical property Red Barn south of 18430 Lost Ranger Rd. Peyton CO. 80831 . is located in the Peyton Fire Protection District (PFPD). PFPD currently serves this property and is committed to serving the subdivision as well once complete. PFPD participates in mutual aid agreements with surroundings districts.

Peyton Fire Protection District Has two stations, both located at 13665 Railroad St. which is 5.6 miles from the proposed subdivision site, by established public roads. With good weather conditions response times are about 6-7 minutes. We are a combination department with paid and volunteer staffing. The department has two brush trucks, 1 ambulance, 2 QRV medical/utility, one Engine (1000) gallons, 1 pumper tender (3000) gallons and a tender (2000) gallons. PFPD is a water poor district, but we do have more than 110,000 gallons of water in cisterns throughout the district. The closest to the subdivision is 5.6 miles away at station 1.

The District ISO rating is an 8b for all properties within 5 miles of our station. All others beyond the 5 miles is a 10
