El Paso – Planning and Development Services

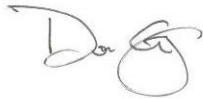

**Re: Permit No COM2223,  
AT&T 10093745 Backup Generator CD**

We have received your plan review comments. Our responses to your comments are noted below:

Item Number:

1. Revision clouds have been removed
2. A-1 sheet has been updated as requested
3. Tower to property line distances have been added to A-1

We appreciate your assistance and please don't hesitate to contact me with any questions or concerns.
