Re: Authority

Dear Jon,

It is my understanding that staff at the El Paso County Planning and Community Development Department has asked who has authority to execute preliminary plan documents on behalf of Falcon Field, LLC. Please be advised that James Berger, as managing member, has authority to execute all such documents. I am also a member of the LLC and serve as its general counsel for land use purposes. I am happy to discuss this further with County staff if so desired.

Sincerely,
