GENERAL PROVISIONS

1. Landscaping in public-rights-of-way will be maintained by the Falcon Field Metropolitan District.
2. Developer shall analyze the need to provide all necessary offsite road improvements, which may include improvements in the City of Colorado Springs, to provide an appropriate level of service to this development. If offsite road improvements are necessary, they will be specifically outlined per a Subdivision Improvements Agreement or Development Agreement between Developer and El Paso County.
3. All streets shall be named and constructed to El Paso County Standards and any approved deviations. Upon acceptance by El Paso County, public streets shall be maintained by the County.
4. Notwithstanding anything depicted in this plan in words or graphic representation, all design and construction related to roads, storm drainage and erosion control shall conform to the standards and requirements of the most recent version of the relevant adopted El Paso County standards, including the Land Development Code (LDC), the ECM, the Drainage Criteria Manual (DCM), and the DCM Volume 2. Any deviations from these standards must be specifically requested and approved in writing to be acceptable. The approval of this Preliminary Plan does not implicitly allow any deviations or waivers that have not been otherwise approved through the deviation approval process.
5. The Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 18-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
10. The following utility providers will serve the Falcon Field Preliminary Plan area:
Water: Woodmen Hills Metropolitan District
Wastewater: Woodmen Hills Metropolitan District
Gas: Colorado Springs Utilities
Electric: Mountain View Electric

GENERAL NOTES

1. All sidewalks shown on development plan are to be 5' concrete unless otherwise specified.
2. Private roads are to be paved asphalt with concrete curbs.
3. This site is within a designated F.E.M.A. Floodplain Zone A as determined by the flood insurance rate map, community panel numbers 08041C0553G & 08041C0561G, effective December 07, 2018.
4. The parties responsible for this plan have familiarized themselves with all current accessibility criteria and specifications and the proposed plan reflects all site elements required by the applicable ADA design standards and guidelines as published by the United States Department of Justice. Approval of this plan by El Paso County does not assure compliance with the ADA or any regulations or guidelines enacted or promulgated under or with respect to such laws.
5. Notice: This property may be impacted by noise and other similar incidental sensory effects of flight caused by aircraft used in the United States Air Force Academy's Airmanship Program. This notice shall remain in effect until the academy shall cease to be actively used. This notice shall run with the land.
6. A private aviation easement acknowledging the USAFA airmanship program will be established prior to recordation of the final subdivision plat(s) for this development or prior to the issuance of a certificated of occupancy for any unit within the development.
7. The aviation easement dedicated herein for public aviation purposes, shall be considered a public easement subject to those terms and conditions as specified on the instrument recorded at reception no. _____ of the records of El Paso County, Colorado. All other easements or interests of record affecting any of the platted property depicted hereon shall not be affected and shall remain in full force and effect.
8. Geologic Hazard Note:
The property has been found to be impacted by geologic hazards. Mitigation measures and a map of the hazard area can be found in the report "Falcon Field Soils, Geology and Geologic Hazard Study by Entech Engineering, January, 20, 2021 in file (xxxx) available at the El Paso County Planning and Community Development Department: In areas that shallow ground water is identified foundations perimeter drains are recommended when foundations are not able to be located above the identified groundwater levels.
