Introduction to the El Paso County Master Plan

- We are in the process of updating/revising our Master Plan
- A web site has been developed. You may access the Master Plan information here:
 - <https://www.elpasoco.com/>
 - <https://elpaso-hlplanning.hub.arcgis.com/>
- This website includes a survey and mapping to provide your input to our process
- A Consultant has been contracted (Houseal-Lavigne) for the 2 year process, which will be completed Jan 2021
- We will complete the outreach, engagement, existing conditions assessment through now through August
- The Master Plan will update, revise, and incorporate the small area plans into one single document
- Small Area Plans date from 1977 to 2008
 - Colorado Centre, part of Lorson, but not Widefield-Highway 94 Plan (2003)
 - Hanover, Midway-South-Central Plan (1988)
 - Cimarron Hills-(No Plan)
 - Cascade, Chipita Park-Ute Pass Plan (1982)
 - Ellicott-Ellicott Valley Plan (1989)
- The Master Plan will maintain Topical Elements (Mineral Resources, Airport, Roads, Wildlife) as they currently exist, but updated as appropriate
- We anticipate the Visioning, Goals, and Objectives completed in February

So, we need your help!!!

The exercise tonight is to get your input on issues that face the county and specifically your area of the county.

The results of tonight's meeting and other similar meetings will be on the web site, and will inform the next steps of the process.

Thank You for Participating!!!
