Re: Utility Easement

To Whom It May Concern:

This letter will confirm that Black Hills Energy has no active utility in the proposed construction area of the new garage at 520 Empress street. Black Hills has no objection vacating the easement at the north edge of this property at T-15S S-19 R-65W, but the remainder of the easement on this property will not be vacated.

If you have any questions, please feel free to contact me.

Sincerely,
