El Paso County Staff

Thank you for all you are doing. We released Bill Guman from our employment for Saddlehorn Ranch filings 3-5. We have engaged Nina Ruiz and Craig Dossey. We have given Bill to the end of the month to complete filing 2.

Bill has sent me a few emails recently with a lot of he said she said in the communication. He has bcc'ed us on some of the communications with others as well. I am not engaging in the games there. I wanted you to know that if he reaches out to you with what "Gorilla or ROI is saying," please take it with a grain of salt. Thank you.

Our hope is that Bill is able to complete his obligations to us this month. If we can assist him (or you) in completing these tasks, we are happy to do so. We will be working in the county for decades longer, and would like to keep a good and professional working relationship. Call me if you have any questions.

Best,

ROI
