To Whom It May Concern:

This letter is to inform property owners adjacent to the Hale Sand Pit (Parcel No. 32000-00-112) that they have requested a special use to allow for the existing 9.9 acre sand mine to be expanded by an additional 52.5 acres with no more than 10 acres being mined at any given time. The Planning and Community Development Director may make a formal decision regarding the request on July 17, 2019 at 4:30 P.M. Any comments or questions may be forwarded to me prior to that decision. At the discretion of the Planning and Community Development Director, the approval process may be elevated to the Board of County Commissioners for consideration. Administrative approval by the Planning and Community Development Director is subject to the appeal provisions of the Land Development Code.

You may view the application documents online at www.epcdevplanreview.com. Please feel free to contact me with any questions, comments, or concerns you may have prior to the decision.
