Dear Jen:

In reference to your correspondences dated July 15, 2026 for file number PPR2619, Rolling Hills Substation, parcel number 5500000324, a request by Ulteig, described as "Substation within Antelope Ridge and Bull Hill PUD formerly (substation Bull Hill)", on 593.1 acres. The substation does not appear to be located by the school site, therefore Widefield School District #3 has no opposition for the substation.

If you have further questions please feel free to contact me at gishd@wsd3.org 719-391-3531.

Sincerely,

David Gish
