**Information:** **Endorsement:** X

#### Background Information:

Request for approval by Catamount Engineering on behalf of John R. Jennings of the Judge Orr Ranchettes Preliminary Plan and Final Plat, consisting of 7 single-family residential lots on 40.67 acres. The site is located west of the intersection of Judge Orr Road and Stapleton Drive, northeast of Meadow Lake Airport. Although zoned currently as A-35, the applicant is seeking concurrently a zoning reclassification to RR-5.

The El Paso County Parks Master Plan (2013) shows the proposed Judge Orr Road Bicycle Route running adjacent to the project area, along Judge Orr Road, which forms southern boundary of the property, as well as the proposed Curtis Road Bicycle Route, which runs along Stapleton Drive adjacent to the property's eastern boundary. These proposed bicycle routes will be constructed and maintained within the dedicated public right-of-ways, so no easement requests are necessary for either route. The applicant is advised that multi-modal transportation options will be developed within the right-of-ways in the future.

As no park land dedication or trail easements are necessary, El Paso County Parks staff recommends fees in lieu of land dedication for regional park purposes.

#### Recommended Motion: Preliminary Plan

Recommend to the Planning Commission and Board of County Commissioners that approval of the Judge Orr Ranchettes Preliminary Plan include the following condition: Require fees in lieu of land dedication for regional park purposes in the amount of \$2,849.

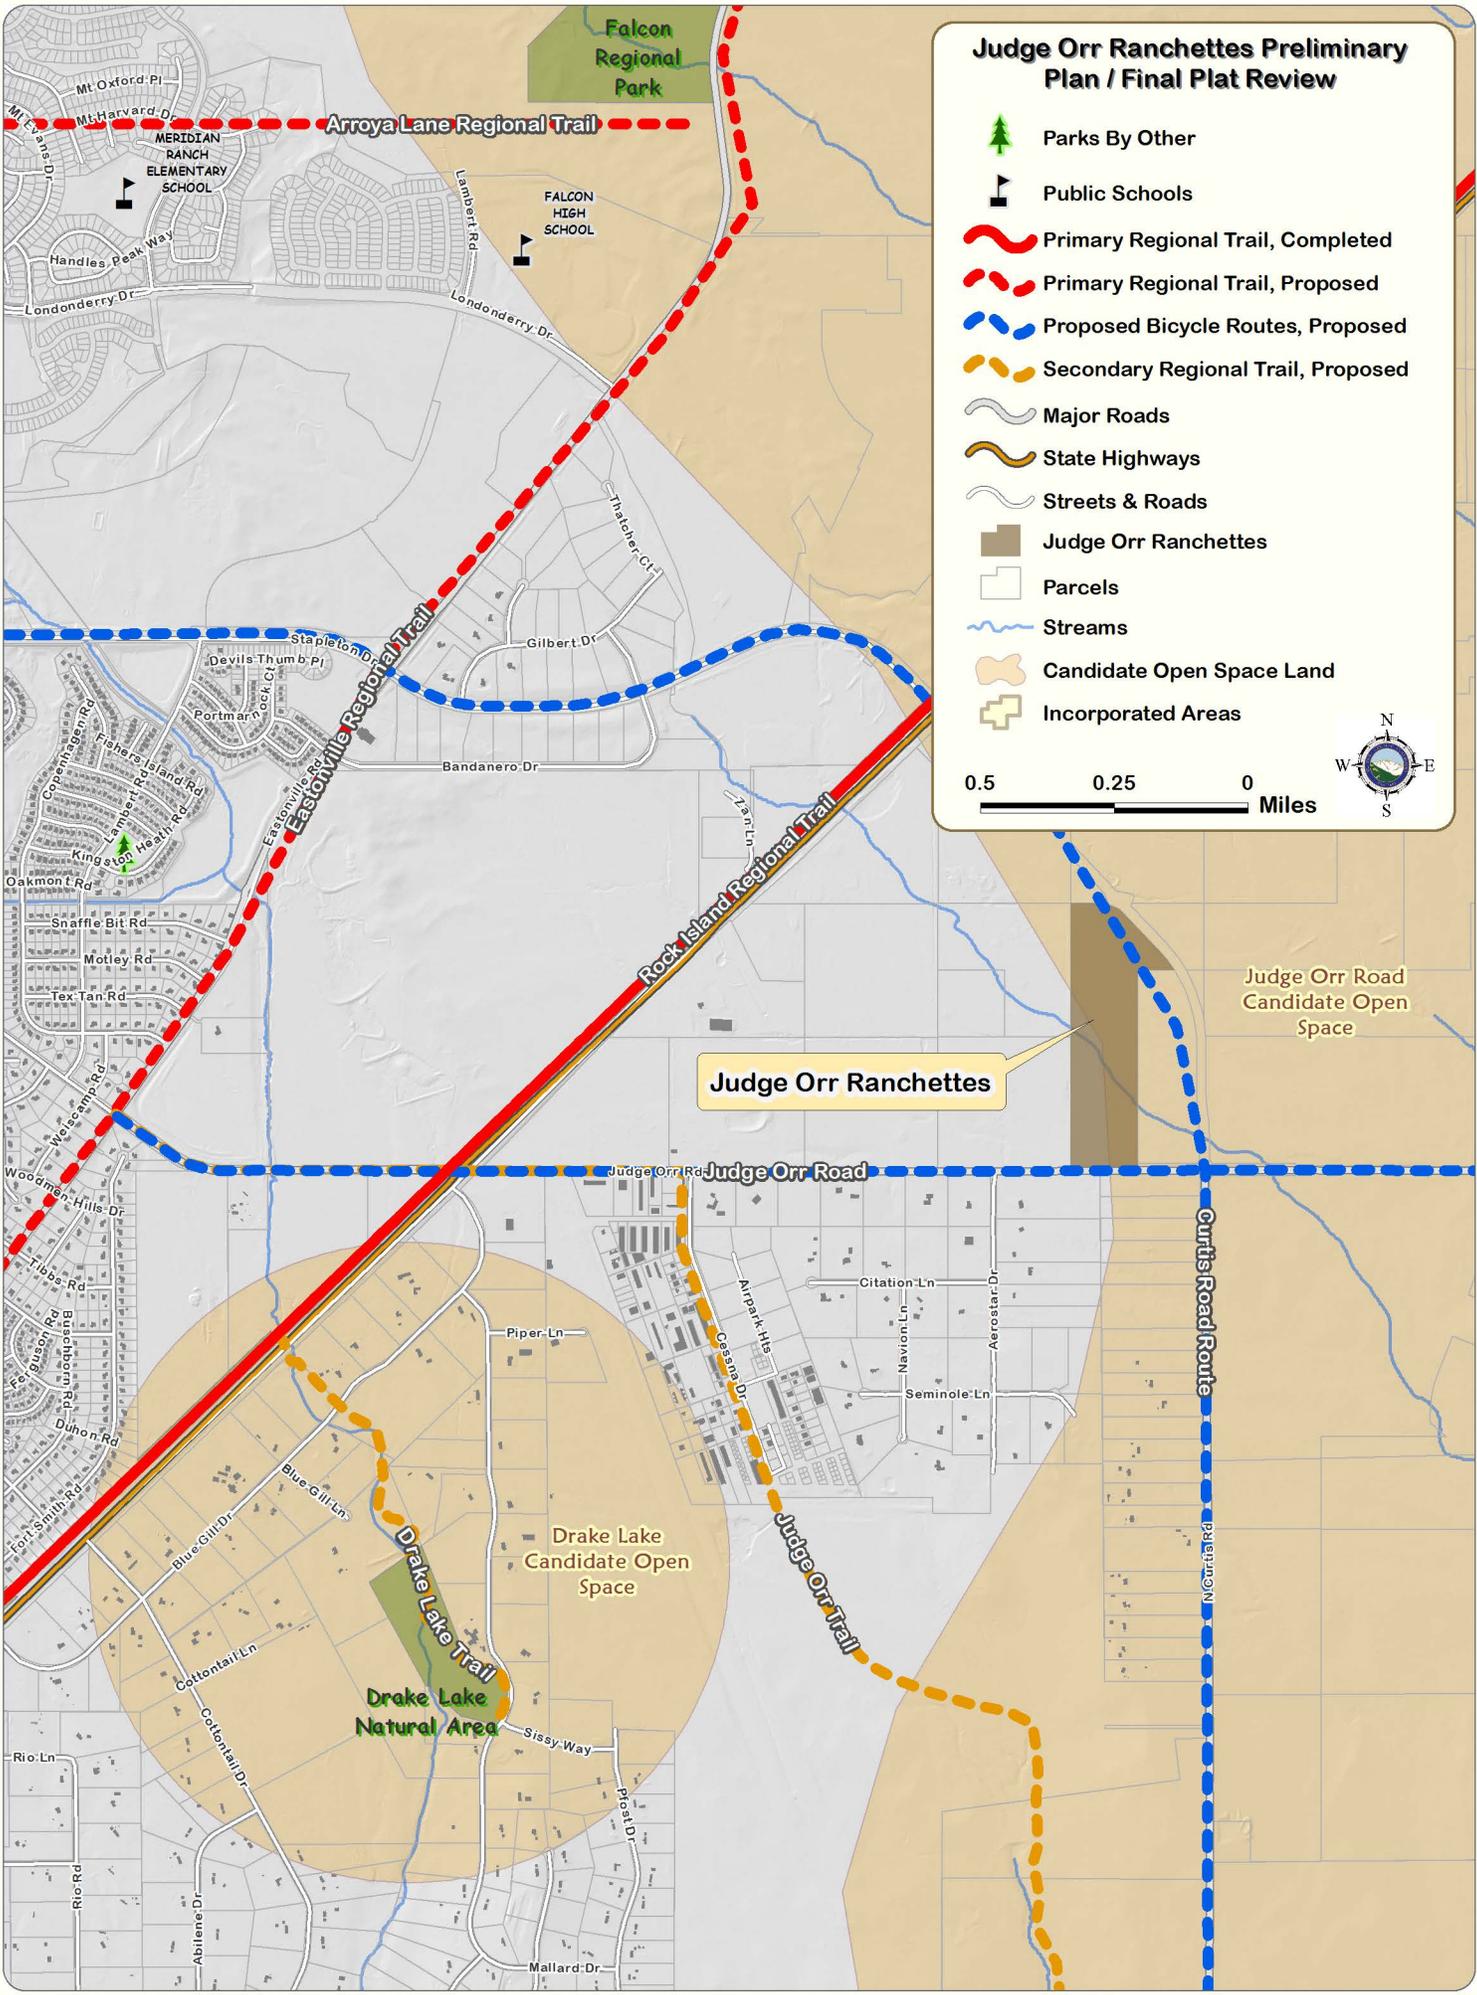

#### Recommended Motion: Final Plat

Recommend to the Planning Commission and Board of County Commissioners that approval of the Judge Orr Ranchettes Final Plat include the following condition: Require fees in lieu of land dedication for regional park purposes in the amount of \$2,849.
