Mr. McCarthy,

Pursuant to a directive by Jeff Dunn with the City of Colorado Springs Water Resources Division, I completed a survey of the existing OWTS on 4/18/19. The locations of the septic tank, distribution box and leachate fields were marked such that an as-built survey could be completed by others. I hereby attest that I am a licensed and certified Tier II On-site Wastewater Treatment System installer/contractor in El Paso County, CO.

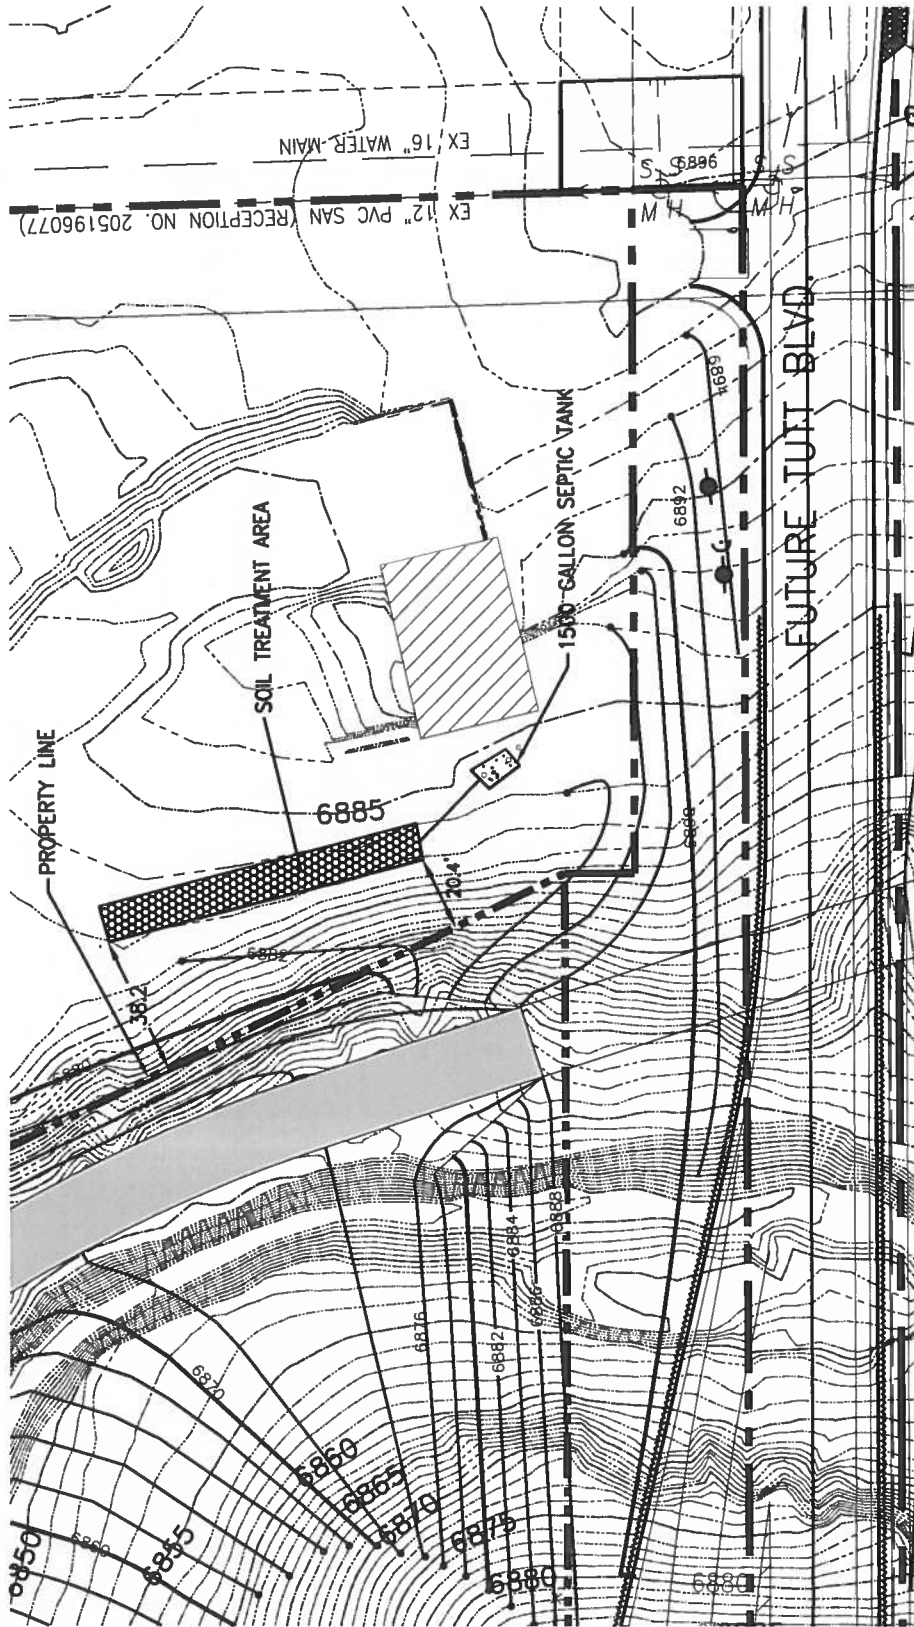

Sincerely,

Phillip Bugenhagen
