### **Petersons Replat, VR-22-6**

**Please accept the following comments from El Paso County Public Health regarding the project referenced above:**

- **The new 3.93-acre lot proposed will utilize an onsite wastewater treatment system (OWTS) for wastewater service. Water for the lot will either be a private well or provided by Forest View Acres Water District. Forest View Acres Water District is a community water district and assigned PWSID # CO0121250. There is a finding for sufficient water quality for water obtained from this district.**
- **The January 25, 2023, Entech Engineering, Inc., OWTS Site Evaluation supports the use of an OWTS. Based on the soil evaluation the OWTS will require a professional engineer design.**
