Hi Brent,
Sorry to bother you but I wanted to check in to see if you are able to provide enumerations sign off for the Nagy Plat? They are trying to get in today at 11:00 for a recording appointment and have been trying to get in touch with you for final signoff on the plat. If they can't get in this week, they will have to pay the property taxes for the next portion of the year prior to recording so it's nearly down to the wire.

Thanks for any help you can provide. I was under the impression that these final signoffs were fairly quick for applicants to obtain so in the future, I will advise them to reach out much earlier to try to get the final signoff until the offices are back open for regular business.
