Ashlyn,

CDOT is aware that Monument Glamping 2 is proposing 24 sites for their project, they have an access permit for 12 sites. They will not need to re-submit a new highway access application, I plan to amend the existing permit when the NTP is issued. They have not been issued a NTP nor have they completed any improvements or conditions of the permit. Hope this helps.

Michelle,

The applicant is proposing 24 sites for this project and were previously approved for only 12 sites. Can I get confirmation that CDOT is okay with the increase of 24 sites and that they do not need to re submit a new highway access permit?

Thank you.

Have a wonderful day!

Best,

Ashlyn Mathy
