AS REPLATTED

Include right-of-way lines, widths, locations, and names of all proposed and existing rights-of-way. Centerline data or right-of-way data for all curves shall be included. Ensure all are included. If access is to a private road, indicate so. Include Midnight Road.

Include a note indicating that you are opting out of the PID.

Add the following note:

The subdivider agree(s) on behalf of him/herself and any successors and assigns that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would disclose the fee obligation before sale of the property.

Include a plat note indicating no access shall be granted on McLaughlin Rd.

Environmental note to include: Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the listed species (e.g., Preble's Meadow Jumping Mouse).

Access Limitation: There shall be no direct lot access to _____ Road. See traffic study excerpt here (check when _____)

Area Roads

Figure 1 shows the streets in the vicinity of the site. The streets adjacent to the site are identified below, followed by a brief description of each:

- McLaughlin Road is a two-lane, non-residential Collector road that extends north from Rolling Thunder Avenue to Eastonville Road. The roadway provides retail and residential access both north and south of Woodmen Road. The posted speed limit is 25 miles per hour (mph).
- Midnight Road is a two-lane, non-residential Collector road that extends north from McLaughlin Road west to Eastonville Road, where it then becomes a north/south road and is classified as a Local road.
