Local Public 60' ROW

Ada Ln

Property Line

Please depict the following:

- location of existing water and wastewater infrastructure (locations of wells and septic systems)
- location of all existing utility lines and associated infrastructure
- location and height of fences, walls, retaining walls, or berms

Please confirm this setback distance. If this is the true distance, a Board of Adjustment request may be required to approve this encroachment beyond the 20% relief being requested on this application for the deck.
