RE: LETTER OF INTENT FOR CO-LOCATION ON EXISTING TELECOMMUNICATIONS FACILITY

ATC SITE NUMBER: 88791 Black Forest CO

DISH SITE NUMBER: DNDEN00353B

PROJECT SITE ADDRESS: 7111 Marshbern Ct, Colorado Springs, CO 80908

PARCEL NUMBER: 5132000002

El Paso County Planning and Community Development Department:

Proposed scope of work as follows:

Dish Wireless is proposing the installation of (3) Antennas, (6) RRUs and related tower equipment on existing 305' self-support tower. Also, the installation of (2) Cabinets and related ground equipment. The existing site is located within an agricultural area, zoned A-35. The proposed modification will not increase the height of the existing 305' self-support tower and will not expand the existing fenced compound area. According to the FCC, this proposed modification is an eligible facilities request.

Attached you will find: El Paso County Type C Application, Access and Maintenance Agreement, Title Commitment, Legal Description, Vicinity/Location Map, Landscape Plan Drawings, Elevation Plans, and Site Development Plan.

I look forward to working with El Paso County Planning and Community Development in completing this application and working on approval. As the primary point of contact for this project, please let me know if you need further information.

Sincerely,

Hank Boeger
Site Acquisition Agent

Please note Landscape Plan Drawings and Access and Maintenance Agreement were not submitted in this application. Please update statement to only include submitted documents for this application.

In the Letter of Intent please confirm the proposed land use will not adversely impact adjacent properties or existing drainage patterns. Please provide a statement on the amount of traffic generated by the site.
