Black Diamond Cable, 7315 Cole View, PPR-23-44

Please accept the following comments from El Paso County Public Health for the project referenced above:

- The proposed 1.83-acre industrial site will have water and wastewater services provided by Cherokee Metropolitan District. There is a finding of sufficiency in terms of quality for water for this Colorado Department of Public Health and Environment regulated community water system. PWSID #CO-0121125
- Earthmoving activity if more than one acre will require a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.
