Submit Lighting Plan with next submission.  
Be sure to include details of light fixture.

**Applicant**

T-Bone Construction  
1310 Ford Street  
Colorado Springs Co. 80915

**Lighting Plan.**

We are currently working with McShea Engineering for the Photometric Plan for this project. Due to their current workload the testing has been scheduled but hasn't been completed. They are currently working on this item for the SDP submittal package. This item will be submitted once received from the Engineer.

Thank You,

Darin C. Weiss AIA
