Sir or Madam—

This letter is being sent to you because Glenn and Mary Ellen Galer and Joshua and Allison Galer are proposing a land use project in El Paso County at 18884 Hilltop Pines Path and 19004 Hilltop Pines Path respectively. This information is being provided to you prior to submittal with the County. Please direct any questions on the proposal to the referenced contact(s) below. Prior to any public hearing on this proposal a notification of the time and place of the public hearing will be sent to the adjacent property owners by the El Paso County Planning Department. At that time, you will be given the El Paso County contact information, the file number, and an opportunity to respond either for or against or expressing no opinion in writing or in person at the public hearing for this proposal.

Both parties are requesting an amendment to the plat map of their properties because of the drilling of a well which is now located directly on the property line between Glenn Galer and Joshua Galer's properties. The amendment will provide an easement for the well head so it will reside solely on Joshua and Allison Galer's property. Parcel(s) owned by you that are adjacent: #6109006005 – 19044 Hilltop Pines Path, Lot 24 Hilltop Pines Filing No. 1.

There are no existing facilities, roads, structures, etc. affected by this replat. Nor are there any planned additions that would be affected. Likewise, there are no waiver requests with this submission.

Enclosed, please find a map of the vicinity showing the two properties involved in relation to your adjacent property.

Please sign and return the enclosed "Notification of Adjacent Property Owners" form with the envelope provided.
