RE: Dish Network 2746 Rustic Oak Grove, Colorado Springs, CO (DNDEN00359A

John:

Please provide
more detail on
existing and
proposed
facilities and
scope/purpose
of work

Dish Network intends to install equipment on SBA's existing site located at the address above. The tower is owned by SBA and a lease agreement has been in place since 2003. It is located on parcel # 6204000017 and is zoned RR5.

The proposed activity and land use approval will not adversely impact adjacent properties or existing drainage patterns. Code encourages collocations, rather than a brand-new build. Since this is a new carrier attaching to the SBA monopine, Dish will visit the site once a month for routine maintenance.

I have uploaded the drawings for review as well. If you have any questions or need anything further from me, please do not hesitate to contact me at 702-429-0410

Thank you,

Nefi Garcia
