Dear Ms. Parsons:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Front Range-Midway Solar Energy Facility**

**Project Number: WSEO-17-001**

**Description:** Approval is being requested for a 100.2 MW photovoltaic solar energy generation facility in El Paso County. This project is located across several parcels totaling approximately 1170 acres in Section 17, 20, 21 and 22, Township 17 south, Range 65 West.

This area is within MVEA certificated service area. MVEA will serve this area with start-up power and any additional power as needed. The necessary lines will be constructed according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements along with easements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA has existing facilities near and within these parcels of land. If there is any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required in order to serve.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant
