My name is Nancy Eldred. I am a neighbor of Mark and Ann Seglem. I am writing in opposition of the minor kennel. After reading the letters in the El Paso county file from other neighbors and Woodmoor residents I cannot agree more with their objections. My sentiments towards this would be written with the same remonstrance way. I sent a number of videos to Kylie Bagley over the last few months but I am not sure if they were viewed by the committees. I would hope that these videos and other emails I sent were read/seen by the planning committee that voted on October 20, but after watching the hearing I did not pick up on any of the objections made by any neighbors, just the word "complaints". These letters/videos may be private and not to be viewed by the public, I don't know. This is my first rodeo and I am not aware of the workings of these hearings and the paperwork flow. If this is a repeat of what you have already seen, I don't mean to be redundant. I will send them in separate emails. I want you to see what I see and hear multiple times a day ... day after day. Thank you for your time and consideration
