---

Kylie,

This is Tom Snyder, I live with Nancy Eldred on Fairplay Drive.

This is a picture of the back fence of Mark Seglem's extended yard. He states as a good neighbor that he planted a row of Lilac Bushes that will eventually shield the dogs visibility from the trail behind them.

These are not Bushes but stick saplings, some of which have already died. It would be many many years before these saplings could be called Bushes.

Sadly, he tries to impress the county with disingenuous attempts to help his situation.

Thank you, I hope this photo can be used at tomorrow's meeting.

Sincerely,

Tom Snyder / Nancy Eldred
